

2020 ITE Mountain District Award: Best Student Paper Award

Submittals Due: March 1, 2020 by 5 PM Mountain Time

2020 ITE Mountain District Award: Best Student Paper

The ITE Mountain District is committed to encouraging Civil Engineering Students into our profession. As such, the Student Paper Award has been created to identify and encourage the next generation and new faces into the transportation profession. The Student Paper Award encourages student members of the Mountain District to conduct and to report on independent research and investigation of transportation engineering subjects and to provide a means for recognizing outstanding accomplishments in this area.

The winner receives a plaque, a \$500 award, as well as free meeting registration for the Mountain District Annual Meeting. The District will forward the winning paper on to ITE International for consideration in the Daniel B. Fambro Student Paper Award competition.

Eligibility Any individual member of ITE who: - Is a student member of ITE International; and - Completed work providing a basis for the paper while a student member of ITE International.

Submittal Procedure

- Each fall, the Local Arrangements Committee (LAC) for the Mountain District Annual Meeting issues a Call for Papers, inviting authors to submit abstracts to present at the Annual Meeting held on the following June/July. Eligible student members must follow the instructions outlined in the Call for Papers, and if the abstract is accepted, the author must submit a Student Paper following the below requirements.
- By March 1st, student papers must be submitted to the LAC, who will forward all eligible papers to the District's Technical Committee for judging.

- By April 1st, the Technical Committee Chair will select the winning paper, and the LAC will extend an invitation to the author to present the paper and to receive the Student Paper Award at the District Annual Meeting.

- The District's Technical Committee Chair will forward the winning paper on to ITE International for consideration in the Daniel B. Fambro Student Paper Award competition.

Paper Requirements

- Must address a transportation topic.
- Must be authored by one student author. Advisors can be listed but cannot be co-authors.
- The paper must be submitted in English.
- A PDF document in 11 pt. type, with a maximum of 3,000 words.
- The paper must include a title page showing title, author's name, address, telephone number and date; and a table of contents.
